7: THE FUGITIVES

It might get loud, it might get sweaty but it'll definitely be rocking !!!Cardiff's premier R&B Combo. From Bayonne to Bristol, the Basque country to Barry Island they are still just as lairy, and just as hairy. For the 17th year in succession, they have been voted the 4th best R&B outfit within a radius of 8.7 miles of Whitchurch village. By the most modest of estimations, they have now played almost 1500 gigs. That's 1500 Princess Margaret jokes and 1500 times Jason has tripped over the microphone stand. Good things never change. The Fugitives. Still the same, still brilliant.
